LAL Fort Lauderdale

## MUSIC SUMMER SCHOOL

Our Music Summer School offers two afternoons of expert musical tuition per week. Our team of music professionals work with students of all abilities to provide a well-rounded program: music, socializing and fun!

Topics include:

- Music lessons/theory: vocals, guitar, bass, keyboard, drums, piano and/or vocals, etc.
- Singing and band rehearsal for shows
- Stage performance
- Music recording
- Music promotion and marketing
- CD recording of students' music
- Song writing
- Sound and equipment management
- Non-musical students can choose from DJing, Sound Management or Stage Management.

Unique to our program is the fact that we place international students with American students of the same age to experience the American way of life as well as receiving extensive English practice.

## SPORTS SUMMER SCHOOL

Our Sports Summer School at LAL Fort Lauderdale offers two afternoons of expert coaching in basketball, equestrian, golf or tennis per week. Our instructors work with professional athletes as well as amateurs who want to learn about sport, have fun and enjoy the amenities of the Broken Sound Club.

Students have the flexibility to try more than one sport if choosing basketball, golf or tennis. Students cannot move between sports in the same afternoon but they can choose to try a different sport (basketball, golf or tennis) per afternoon.

Unique to our program is the fact that we place international students with American students of the same age to experience the American way of life as well as receiving extensive English practice.
