PLUS SUGGESTED PROGRAMME

LONDON UXBRIDGE

CLASSIC

Local Excursions:

Exploration & Task: This is focused specifically around the town centre and would allow the students some freedom, with the teacher(s) in the vicinity. Students are issued an 'Exploration Task' sheet. They should then go to each point on the map provided and try to match the place with the corresponding paragraph in the task sheet. This is a reading task which encourages them to orientate themselves with the site and read and match the descriptions to what they can see. This is also complemented by class-time preparation to help with vocabulary etc where necessary. It can be made more fun/competitive by putting a time limit on it and giving prizes to the fastest/most correct answers, a bit like a 'scavenger hunt'.

Suggestions for local visits:

Walking Tour will cover the excursions listed above. Travel cards can be purchased on location if not included already in the package. The pre planner tour will be guided by our Plus teacher. The students will receive the 'Before Tour' and 'After Tour' questions which are designed to encourage the students to engage with the site and reflect on it. The students also have access to the PLUS Audio Guide, honing their listening skills as well as educating them about historical places they visit and quirks!

ADD ON extra activities:

The group can purchase extra excursions and attractions if needed and PLUS can arrange a personalised programme for them. - ADD ON information is available on the website for more information. For Prices please do register in the agency area.

Host family students

* If the students are staying with host families., in case we do have students on campus at the same time students may join evening activities all students are provided with a packed lunch during their stay by the host family. Hot meal maybe purchased at the College at extra cost please check price list on ADD ON
